

BALLIN' THE JACK - Jim Burris/Chris Smith

Dr. Uke's version tweaked by Village Ukulele People www.VillageUkulelePeople.com

First you put your two knees close up tight,

Then you sway 'em to the left, then you sway 'em to the right

Step around the floor, kind of nice and light,

Then you twist around and twist around with all your might

Stretch your lovin' arms straight out in space, then you do the Eagle Rock with style and grace.

Swing your foot way 'round, then bring it back, now that's what I call ballin' the jack

Instrumental (1st four lines of song)

Stretch your lovin' arms straight out in space, then you do the Eagle Rock with style and grace.

Swing your foot way 'round, then bring it back, now that's what I call ballin' the jack

That's what I call ballin'the jack!

It's the Jack!
