INTRO: G // // // (D)

N/C G
Oh, give me land, lots of land under starry skies above

G C D
Don't fence me in
D

Let me ride through the wide-open country that I love

D7 G
Don't fence me in

G G7
Oh let me be by myself in the evening breeze

C Cm
Listen to the murmur of the cottonwood trees

G G7 C Cm
Send me off forever, but I ask you, please

G D7 G
Don't fence me in

G C
Just let me loose

Let me straddle my old saddle underneath the western skies

G C
On my ca-yuse

Let me wonder over yonder till I see the mountains rise

N/C G G7
I want to ride to the ridge where the West com-mences

C Cm
Gaze at the moon until I lose my senses

G G7 C Cm
Can't look at hobbles and I can't stand fences

G D7 G G D7 G (Cm) (G)
Don't fence me in // Don't fence me in
