```
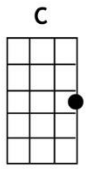
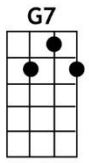
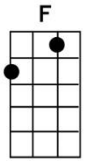
C                      G7                  C
Early in the evening, just around supper time
                                  G7              C
Over by the courthouse, they're starting to unwind
F                          C
Four kids on the corner, trying to bring you up
                                 G7              C
Willy picks a tune out and he blows it on the harp
```



Chorus:

```
F           C       G7         C
Down on the corner, out in the street
               F             C
Willy and the Poor-boys are playing
          G7              C
Bring a nickel, tap your feet
```





```
C                                  G7                 C
Rooster hits the washboard, and people just gotta smile,
                                 G7           C
Blinky thumps the gut bass and solos for a while
F                                  C
Poor-boy twangs the rhythm out on his Kalamazoo
                                  G7            C
And Willy goes into a dance and doubles on Kazoo
```

```
C                       G7             C
You don't need a penny just to hang around
                                   G7              C
But if you got a nickel won't you lay your money down
F                                   C
Over on the corner there's a happy noise
                                 G7               C
People come from all around to watch the magic boy
```
