

**G** **Em Em C** **G**  
Kind friends all gathered 'round, there's something I would say  
**G Em C D**  
What brings us together here has blessed us all to-day  
**G D C G**  
Love has made a circle that holds us all in-side  
**G Em C Cmaj7**  
Strangers are as family, and loneliness can't hide

**CHORUS:**

**Cmaj7 G Em Em C G**  
So give yourself to love, if love is what you're after  
**G Em C D**  
Open up your heart to the tears and laughter  
**G Em Em C D G Gsus4 G Gsus4 G**  
And give yourself to love, give your-self to love....

**G Em Em C G**  
I've walked these mountains in the rain, I've learned to love the wind  
**G Em C D**  
Been up before the sunrise to watch the day be-gin  
**G D C G**  
I always knew I'd find you, though I never did know how  
**G Em C Cmaj7**  
Like sunshine on cloudy day, you stand before me now

**CHORUS / Followed by short instrumental**

**G Em Em C G**  
Love is born in fire and planted like a seed  
**G Em C D**  
And love can't give you everything, but it gives you what you need  
**G D C G**  
Love comes when you are ready, love comes when you're afraid  
**G Em Em C D Cmaj7**  
It'll be your greatest teacher, the best friend you have made

**CHORUS**

**OUTRO:**

**G Em Em C G**  
You must give yourself to love, if love is what you're after  
**G Em C D**  
Open up your hearts to the tears and laughter  
**G Em Em C D G Gsus4 G Gsus4 (G)**  
Give yourself to love, give your-self to love....
