When it's sugarcane time along around about June
 I'll be walking with sugar neath that old sugar moon

Gonna drop her a line to expect me soonZZz
 Oh I'm craving some sugar neath the old sugar moon

BRIDGE
 I can see her right now she'll get the calendar down
 Scratch a circle around the day we're altar bound

When it's sugarcane time long around about June
 Wedding bells will be chiming neath the old sugar moon

All the kisses I missed I'll be getting 'em soon
 Sugar kisses from sugar neath that old sugar moon

I'm dreaming sweet dreams of all the loving I'll get
 I get back to my pet lordy how I'll fret

C7

Till it's sugarcane time long around about June
 I'll be walking with sugar neath that old sugar moon
